For and on behalf of the Board

Greg Bandy
Executive Director

Background

Red Emperor Resources NL (ASX: RMP) is a natural resources exploration company with interests in the frontier state of Puntland, Somalia, the Republic of Georgia and Western Australia.

- In Puntland, Red Emperor holds a 20% working interest in two licences encompassing the highly prospective Dharoor and Nugaal valleys. These two exploration areas cover over 36,000km² and have independently been assessed to potentially contain a combined 19 billion barrels of oil in-place. Red Emperor's joint venture partner and PSA operator Africa Oil Corp. (TSXV: AOI) has signed a contract with a drilling company Sakson Drilling and Oil Services as well as all related third party contracts and expects the first well to be drilled in Dharoor in Q4, 2011.
- In the Republic of Georgia, Red Emperor has a 20% working interest in onshore blocks VIa and VIb, covering approx. 6,500km². Joint Venture partner Range Resources Limited (ASX: RRS | AIM: RRL) last year funded a 410km 2D seismic program with independent consultants RPS Energy identifying 68 potential structures containing an estimated 2.045 billion barrels of oil-in-place (on a mean 100% basis). Two wells are to be drilled this year as part of the proposed drill program.
- The Company also has a 25% interest in the Jillewarra Project, a copper and gold project in Western Australia. This interest is free carried through until bankable feasibility study.
